Hi Ellen,

Regarding the email below, have you been contacted by Mr. Takei and do we need to make a correction on the assessment?

Let me know.

Thank you.

Rita

Rita,
Ryo Takei called stating the both of these businesses are his, but they are run out of the same office. He paid both assessments last year at \$89 each, but this year both assessments are \$354.00 each.

That's a big difference.

He wants to know if he has to pay both assessments and why have the assessments gone up so much.

I directed him to Ellen Endo but he wanted somebody to follow up with her.

Thanks
